

CARLOW
COUNTY COUNCIL

Town & Village Renewal Scheme

Public Meeting – Tuesday 24th January 2017

7.30pm – Woodford Dolmen Hotel , Kilkenny Road , Carlow

The Town & Village Renewal Scheme was introduced by government and an allocation of €380,000 was made available to Carlow County Council. Funding was awarded to the following area's as part of the scheme:

- Leighlinbridge
- Myshall
- Muine Bheag
- Tullow
- Borris
- Hacketstown
- Rathvilly

As part of the process, Carlow County Council must prepare a Village & Town Health Check which helps outline the opportunities and challenges for each Village & Town which may shape future funding application but also guide the development of other opportunities.

Carlow County Council is working with project facilitators Future Analytics Consulting in order to prepare these documents and would like if members of the community would make themselves available for a public meeting in respect of the above area's on Tuesday 24th January 2017.

In order for the effective development of these documents we need a cross section of at least 5-10 representatives from each area. It would be appreciated if you could advise if you are attending by e-mailing your name and area to enterprise@carlowcoco.ie or by calling 059/9129783

Queries in respect of the scheme can be e-mailed to kcomerford@carlowcoco.ie or by calling 059/9129783
