COMMUNITY MONUMENTS FUND 2021

The Community Monuments Fund will invest in our valuable archaeological heritage and help the owners and custodians of archaeological monuments to safeguard them into the future, for the benefit of communities and the public.

The core aims of this fund are to:

Enable conservation works to be carried out on monuments which are deemed to be significant and in need of urgent support;

Encourage access to monuments and improve their presentation;

Build resilience in our monuments to enable them to withstand the effects of climate change.

Application form and guidance document are available on the Carlow County Council website www.carlow.ie or by contacting Emer Connors on (059) 9172475. An application for funding cannot be considered where the relevant works have already started.
