8. Fógraí Rúin/Notices of Motion.
Standing in the name of Cllr. Ken Murnane

“Carlow County Council write to the Minister for Justice asking him to write to the DPP and the Attorney General, to request the Courts to review the sentence of 7.5 years, with 1 year suspended in the case of the Galway Rape Case. The systematic abuse of three young women in care over numerous years in this case, is not a true reflection on the sentence imposed based on the serious number of crimes committed.

Standing in the name of Cllr. Ken Murnane
“Carlow County Council write to the HSE and Tusla expressing the Council’s serious concerns on not acting on the complaint in the Galway rape case that was assessed as a creditable report. When the report was in this category, action should be swift, and the children removed until an investigation could be completed. The Council request that Tusla and the HSE immediately act on any future reports classified as credible. An apology for the events that took place after this reported abuse, is totally unacceptable. This type of serious abuse needs action, and someone must be held responsible, or there may be more cases ongoing and in the future.

Standing in the names of Cllrs John Cassin, Fintan Phelan & Ken Murnane

“Carlow County Council calls on the Government, the examiner and all parties involved in Tyndall College Carlow, to deal constructively with the sub-contractors on the job. Sub-contractors have been left substantially out of pocket for their work and this situation must be rectified without delay. Furthermore, the council calls on the Government to bring emergency legislation before the Oireachtas to prevent sub-contractors from being left out of pocket for work completed on publicly funded projects.”

Standing in the name of Cllr. John Cassin

“This Council supports County Carlow becoming free from goods and services produced in Israeli settlements illegally established on stolen Palestinian land and therefore urges Councillors to support the Control of Economic Activity (Occupied Territories) Bill, 2018.”

Standing in the name of Cllr. John Cassin

John Cassin supporting Carlow Barrow Users Group calling on Carlow County Council. In the interest of conserving the barrow track halt development on the Barrow towpath under Section 57 of the Planning & Development Acts 2000-2014 as a matter of urgency, and to withdraw the County Managers order 30055 25/4/2014 or any other order which permits Waterways Ireland to carry out works not the Barrow Track without planning permission. Waterways Ireland have resurfaced extensive stretches of the Barrow towpath, widened the path, and installed extreme hard engineering at numerous locations in County Carlow without applying for planning permission. The developments are not essential maintenance and they have materially affected the character and integrity of the towpath, and the River Barrow SAC, and so contravene Section 57 of the Planning & Development Acts 2000-2014. Any further works on the River Barrow and the River Barrow towpath by Waterways Ireland should be subject to full planning permission and fulfil the criteria for development set out by Carlow County Planning office.

9. Aon gnó eile le haontú an Chathaoirligh.

Any other business with the consent of the Cathaoirleach.
