8.0 Notices of Motion/Fógraí Rúin

8.1 Standing in the Name of Cllr. Adrienne Wallace

"This Council agrees to sign the Open Letter of the Campaign for an All-Ireland National Health Service (see attached).

It agrees that Covid 19 crisis has shown that a coordinated all-Ireland single tier health service needs to be established as a matter of urgency, based on the principle that access to healthcare should be free at the point of delivery and paid for out of general taxation. It further agrees that, as a first step towards delivering increased capacity, the private hospitals should be nationalised."

8.2 Standing in the name of Cllr Andrea Dalton

"Recognising the contribution of CE Supervisors for their years of dedication to their communities and the findings of the Labour Court rulings, this Council calls on the Government to engage, consult and honour the commitment of a fair gratuity scheme and resolve the pension entitlements for all the Supervisors and Assistants who have put in the years of service and deserve their due recognition."

8.3 Standing in the name of Cllr. Fintan Phelan

"Considering the success of the recent street furniture scheme that the council introduced for businesses, this Council will extend that scheme through to the end of October"

8.4 Standing in the name of Cllr. William Quinn

"I am calling on Carlow County Council to request an urgent meeting with the new Minister for Housing, with regard to the income limits for Social Housing in County Carlow, I am also calling on all Elected TDs for Carlow/Kilkenny to bring Carlow in line with other neighbouring counties with regard to income limits. This was to be done as part of the last Government and we were told that Carlow was one of the counties where the income limits were going to be changed. This has not happened and as 4 of the 5 TDs are members of the present Government I am calling on this change to happen before Christmas 2020."

8.5 Standing in the name of Cllr. William Quinn

"I am calling on Carlow County Council to write to the Minister of Transport and The Environment concerning the School Transport issue, that has been causing major concerns over the past number of years for rural parts of County Carlow. At a time when there is a lot of money being put into the protection of the Environment, parents are being forced to drive 10 and 12 kilometres return trips twice daily to take their children to school because they are only entitled to a discretionary ticket and if there is no room on the bus they do not qualify, I am calling on the Minister to change the rules back to

pre-2011 as there is between 6 and 7 000 families affected by this nationally."

8.6 Standing in the name of Cllr. Michael Doran

"That we the members of Carlow County Council instruct the housing department to refer the details of all potential social housing tenants to the local Garda Station for comment."

This motion will be put forward subject to compliance with the relevant Housing and Data Protection Acts and may be referred to councils Housing SPC for further discussion.
