4.1 Standing in the name of Cllr. Adrienne Wallace

Carlow Cricket Club has a long history spanning from the 1800's to its re-establishment in 2011 following the resettlement of the Rohingya community in Carlow. It has many nationalities in the club with two adult teams, two children's teams and a youth development squad, all competing in Cricket Leinster Leagues.

The current grounds kindly donated by St' Patrick's Carlow College is not suitable for higher division games. In order to continue the future success of Carlow Cricket Club and allow it to move forward this council should endeavour to find suitable grounds for the club. The council should form a working group with Carlow Cricket club to complete this.

4.2 Standing in the name of Cllr. Adrienne Wallace

That this council liaise with Carlow's First Scout Club in order to provide support and information that would help find a secure base they can operate from.
