“That Carlow County Council address the rates issue in relation to the Saint Vincent De Paul shop's, which is a non-profitable organisation where the money made goes back into helping the community overall. This money that they make helps people in need and in unfortunate circumstances.”

Standing in the name of Cllr. Denis Foley

“Carlow County Council recognises the important role in combatting poverty and disadvantage the Society of Saint Vincent De Paul and the Family Resource Centres play in our county. These organisations rely on volunteerism from within the local community to staff and address the issues they face. This council believes that it must work with these organisations in order to create a meaningful partnership for social change.

Carlow County Council believes that the imposition of rates on properties used by Society of Saint Vincent De Paul and the Family Resource Centres places an unnecessary burden on their limited funds and here by undertakes to exempt both organisations from the payment of rates.”

Standing in the name of Cllr. William Paton

"That Carlow County Council condemns the rise in car insurance premiums and calls on the government to bring in urgent legislation to curb these totally outrageous increases in premia."

Standing in the name of Cllrs. Thomas Kinsella and Charlie Murphy
