“Irish Water Response to Carlow County Council (as circulated at July Meeting) on water and sewage lines which pass through backyards and gardens is unacceptable. Carlow County Council write to the Minister for Housing, Planning and Local Government requesting an amendment to the legislation to change the arrangements so that the position obtaining in Ireland is similar to that in the United Kingdom in that the landowner is only responsible for that portion of the service from the main to his/her dwelling as per drawings attached (“A” UK and “B” Ireland).”

Standing in the name of Cllr. William Paton

Noting that:

- (i) Individuals with a Primary Medical Certificate qualify for the Disabled Drivers and Disabled Passengers Scheme, which provides for a range of tax reliefs linked to the purchase and use of specially constructed or adapted vehicles by drivers and passengers with a disability and
- (ii) That the same Individuals attending a day centre and using wheel chair accessible transport provided by the day centre are not allowed to use the Medical Certificate a second time to allow the day centre to claim relief from road tax charges:

"That Carlow County Council calls on the Government to exempt wheel chair accessible transport used by voluntary charitable organisations (e.g Cairdeas, Tullow Day Care Centre, the Delta Centre etc.) from road tax charges."
