

COVID 19: HPL1 TEMPORARY PROCESS.

REBUILDING IRELAND HOME LOAN APPLICATIONS

Rebuilding Ireland Home Loan Applicants should note, that in light of the Covid 19 emergency, a temporary alternative arrangement has been put in place, that will remove the need for applicants, to obtain a physically completed HPL1 (pages 14 and 15 of RIHL application form) from Revenue, either in person, by post, or by Revenue's online system, ROS/MyAccount.

Instead Carlow County Council may undertake an electronic process to obtain the information from the Revenue Commissioners on behalf of applicants.

For enquiries on the above, please contact the Housing Department at 059-9170362 or email ahayden@carlowcoco.ie.
