Please indicate the size of your estate and whether you wish to enter into the Litter Free category by ticking the boxes below.

Small Housing Estate (40 Houses)	<input type="checkbox"/>	Litter Free	<input type="checkbox"/>
Medium Hosing Estate (41-100)	<input type="checkbox"/>	Litter Free	<input type="checkbox"/>
Large Housing Estate (101 +)	<input type="checkbox"/>	Litter Free	<input type="checkbox"/>

In addition to judging floral displays and trees the upkeep and maintenance of trees, fences and plant containers will also be taken into account. Floral displays will be assessed on your use of pollinator friendly planting and you are encouraged to plant Native Irish trees and hedges. **Please do not dispose dead flowers and grass clippings into adjacent hedgerows and water bodies.**

Waste and or Water Minimisation & River Protection

Please give a short description of project(s) you have or intend to undertake in Waste and or Water Minimisation & River Protection.

Community Spirit Award

The County Carlow Community Spirit Award is open to everyone across County Carlow including individuals you want to recognise or new and existing groups who have provided a service to those in need during the pandemic.

Over the last year we have seen volunteering at its very best. People, some who may not have volunteered in the past, stepping up to help the most vulnerable in their local communities while existing community groups have excelled in supporting so many at their time of need. With so many examples of communities coming together showing wonderful Community Spirit in our rural villages and towns across County Carlow we knew we needed to recognise this amazing effort before it is forgotten about, as life slowly starts to return to the 'new' normal.
