

Water services for business contact Irish Water

From now, your business water services bills will be issued by Irish Water instead of your Local Authority.

There are no changes to your charges or billing frequency.

Payments for water services must now be made directly to Irish Water. Your Local Authority will not be able to accept payment of your water services bills.

To pay by cash, bring your bill to any retail outlet where you see the PayPoint, Payzone or PostPoint sign or any post office. Your nearest retail outlet or post office is:
