National Tree Week 2021

A Chara,

National Tree Week 2021 will take place from Saturday 21st March to Saturday 27th March 2021

Carlow County Council will have a limited amount of native tree saplings for distribution and applications are invited from all community/Voluntary groups, schools, and residents' associations throughout the County. Please note that saplings can only be collected from the Environment Department located in the Assembly Rooms, Cox's Lane, Carlow (just off Dublin Street) by appointment only.

We are also offering a super virtual workshop with Dee Sewell entitled Talking Trees on Thursday 25th March 2021 at 7.30pm.

Please email your interest to me at jobrien@carlowcoco.ie or complete the enclosed form on or before **Wednesday 16th March** to apply for saplings in 2021.

Due to the circumstances surrounding Covid-19, with the restrictions on travel and limitations on gatherings, we are mindful of the logistics involved with National Tree Week this year and we ask that people remain conscious of the need to limit activities and if you are engaging in any tree-related activity, to please respect the restrictions in place.

Yours sincerely

Jannette O Brien
A/ Environmental Awareness Officer
