

**Notice of Temporary Traffic Management Plan
A Day with The Ducketts, October 13th 2019**

Carlow County Council propose to implement a one-way system to facilitate **A Day with the Ducketts** from 11:00a.m. – 6.30p.m. on Sunday, October 13th 2019.

The local road (L6112) between Russellstown Cross and the R418 Castledermot - Tullow Road will be one way from Russellstown Cross to the Castledermot - Tullow Road.

This involves the re-routing of traffic as follows: –

Traffic from the Castledermot direction will travel on to Killerig Cross taking a right turn along the Carlow road (R726), then take a right turn at Friarstown Cross onto the L6113 as far as the Towers where traffic will take a right turn to Duckett's Grove.

Traffic from the Tullow direction will be directed left at Killerig Cross onto the Carlow road (R726), then take a right turn at Friarstown Cross onto the L6113 as far as the Towers where traffic will take a right turn to Duckett's Grove.

All diversions will be signposted.

Submissions in relation to this temporary traffic management plan may be made in writing to Noel Dillon, Executive Engineer, Roads, to be received before 17.00hrs on 24th September 2019.
