Planning Department Public Counter Re-opens

The Planning Department counter at Carlow County Council will partially re-open to the public on Monday 25th May 2020 **by appointment only**. This is to facilitate the viewing of planning files and enable public participation in the planning process as outlined in the Planning and Development Acts and associated Regulations.

In the first instance any member of the public wishing to view a current planning file is advised to do so online at: <http://www.carlow.ie/planning-enquiry/>

In the event that the planning file cannot be viewed online a request can be made with the Planning Department to view the file at the public counter in County Buildings, Athy Road, Carlow, by calling: 059 9170346 or by emailing planningdevman@carlowcoco.ie.

When making an appointment, customers will be required to complete a Health and Safety questionnaire regarding COVID-19. This information will be retained by Carlow County Council for a period to facilitate contact tracing if necessary but will be destroyed thereafter.

Members of the public accessing the public Planning Counter will be required to adhere to the measures that have been put in place in line with HSE guidelines to facilitate physical distancing and ensure both public and staff safety.

Carlow County Council wish to thank the public for its co-operation.
