The above Valuation is not your Rates Liability

The basis of calculating your Valuation is on the reverse of this document. Please review it carefully in conjunction with the enclosed explanatory letter.

Your rates liability for 2018 will be calculated by multiplying the **Valuation** of the property, as assessed by the **Valuation Office**, by the "Annual Rate on Valuation" (**ARV**) which will be set by **CARLOW COUNTY COUNCIL** at its budgetary meeting later this year.

Please refer to your Local Authority website for more information on the indicative ARV for 2018.
