

Draft River Basin Management Plan For Ireland 2018 - 2021

Find out about the proposed, river and lake water bodies identified for action in Co Carlow as part of the Draft River Basin Management Plan. Carlow County Council will hold a briefing session on Friday 13th October 2017 from 2pm - 5pm at their offices on the Athy Road. The presentation, which will be of an informal nature and will have staff directly involved in the process available to answer questions raised on the proposed Areas for Action. Maps displaying Water Status and Risk for all water bodies and maps of priority areas at risk will be available for viewing.

We are interested in hearing your feedback on the proposed priority areas identified for action in Co Carlow as these areas will be part of the final River Basin Management Plan 2018 – 2021 due to be finalized in December.

Copies of the Draft Plan will be available for Public Inspection during normal opening hours from Tuesday 10th to Tuesday 24th October 2017 both dates inclusive, at the Carlow County Council Offices, Reception Foyer, County Buildings, Athy Road, Carlow and on the Council's website at www.carlow.ie.

Submission/observations in relation to areas of action, may be made in writing to Carlow County Council, addressed to the undersigned on or before 5pm Wednesday 1st November 2017.
